INTERNATIONAL CONFERENCE ON FINTECH, CYBERSPACE AND ARTIFICIAL INTELLIGENCE LAW

- 6th edition. March 27, 2026 -

www.adjuris.ro/fintech/index_en.html

Call for papers

The Society of Juridical and Administrative Sciences

will invite to

the 6th edition of the International Conference on FinTech, Cyberspace and Artificial Intelligence Law

which will take place ***on March 27, 2026, online on Zoom****.*

The Conference will have three sections:

I. FinTech Law: Better Regulation, the „Less is More" Report, and Effective Governance

II. Cyberspace and Artificial Intelligence Law

III. Regulating Technology for Equality and Non-Discrimination

CONFERENCE IS INDEXED IN CONFERENCE PROCEEDINGS CITATION INDEX - CLARIVATE ANALYTICS SINCE 2021

THEMES OF CONFERENCE

Technological innovation is driving the reshaping of the economy and the transformation of law. The conference is a debate platform that examines the legal implications of the use of artificial intelligence and recent developments in the financial services industry under the impact of new digital technologies. The conference opens its doors to people from different countries, from the legal university environment and from among legal practitioners, encouraging the support of both scientific

papers of international interest having as their object the law of financial technologies, cyberspace and artificial intelligence, as well as scientific papers highlighting the particularities domestic law in these areas.

At the Conference may participate, both the people who want to submit a scientific paper, as well as the people who just want to hear the debate, without the submission of scientific papers.

The authors have the opportunity to submit a second scientific paper at the Conference paying an additional fee of 100 EUR.

The Conference will focus on a wide range of topics related to the law of new financial technologies, among which we list (enumeration has illustrative and not restrictive role):

Section I. FinTech Law: Better Regulation, the „Less is More" Report, and Effective Governance
